CHOCOLATE & VANILLA CELEBRATION CAKE

Round off the Easter weekend with this stunning showstopper cake. The sponges taste even better after a day or two, so it's a great get-ahead recipe.

INGREDIENTS

- 225ml vegetable oil plus extra for the tins
- 300g plain flour
- 100g cocoa powder
- 2 tsp baking powder
- 1½ tsp bicarbonate of soda
- 400g light brown soft sugar
- 300ml milk
- 2 tsp white wine vinegar
- 100ml strong coffee or espresso, cooled
- 2 tsp vanilla extract or paste
- 3 medium eggs

For the vanilla buttercream

- 400g butter at room temperature
- 800g icing sugar
- 2 tsp vanilla extract or paste
- 4-5 tbsp milk food colouring pastes

To decorate

- edible flowers
- pastel sugared almonds or chocolate eggs

SERVES: 15
PREP: 35 min
COOK: 30 min

METHOD

STEP 1 Heat the oven to 180C/160C fan/gas 4. Oil three 20cm cake tins and line with baking parchment. Weigh out the flour, cocoa powder, baking powder, bicarb and sugar into a large bowl, add a pinch of salt and whisk gently to combine.

STEP 2 Measure the oil, milk, vinegar, coffee and vanilla into a jug, then add the eggs and whisk to combine. Pour the ingredients into the dry and stir with a whisk until smooth, making sure there are no pockets of flour at the bottom of the bowl. Divide the batter evenly between the tins, then bake on the middle shelf of the oven for 25 mins.

STEP 3 Check the cakes are

cooked by inserting a skewer into the centre of each - if any batter clings to the skewer, return the tins to the oven for another 5 mins, then check again. Leave to cool in the tins for 30 mins, then turn the sponges out onto wire racks to cool completely. If making ahead, wrap the cooled sponges well and store in an airtight container for up to three days, or the freezer for up to two months.

STEP 4 For the buttercream, beat the butter using an electric whisk or in a stand mixer for a few minutes until smooth and creamy. Add half the icing sugar and beat again to combine. Add the remaining icing sugar, the vanilla and 4 tbsp milk then beat again to combine, adding a splash more milk if needed. Divide between three bowls. Add a few

drops of different food colouring paste to each bowl, then mix well.

STEP 5 Spoon the buttercream mixtures into three separate piping bags, pipe a dot of buttercream onto a cake stand or board and place a sponge on top to help keep it in place. Pipe small blobs of purple buttercream all over the top of the sponge by holding the piping bag directly above the cake, about ½cm from the surface, and squeezing the bag while pulling upwards to create a small peak.

STEP 6 Place the second sponge on top, add pink buttercream, add the third sponge, then pipe yellow buttercream over the surface. Decorate with edible flowers, sugared almonds or mini chocolate eggs. Will keep in a tin at room temperature for up to five days.

We're back and bigger than ever.

We cannot wait to welcome visitors back to Bodrhyddan Hall for No Man's Land 2026.

No Man's Land is a unique living history and re-enactment event, showcasing vehicles, uniforms, weapons and curios from Ancient Greece to the modern day. As well as vehicle and firing displays, there will be a chance to walk among and talk to over 800 re-enactors.

When is it? Over the weekend of April 11/12th 2026, from 10am-4pm.

Where? Bodrhyddan Hall is between Dyserth and Rhuddlan on the A5151.

How much? £12.50 for adults in advance (£15 on the day), under 16's are free. You can buy a ticket for both days for £20. Or upgrade to include a house tour of Bodrhyddan Hall (tickets coming soon). Tickets can be bought from the link below or on the day.

Is parking included? Yes, the car park is approx 200m from the displays. We try to accommodate blue badge parking but cannot guarantee it during busy times.

Is this event good for kids? Yes, absolutely. As well as a chance to talk and learn

with the re-enactors, there are also activities such as archery, axe throwing, target practise and much more. We are delighted to be able to keep this event free for under 16's to encourage them to learn more about history, as well as help parents to navigate a busy (and potentially expensive) Easter holidays.

Will there be enough to keep them occupied?

Definitely! Along side the demonstrations, there is also a timetable full of activities in the main arena, including cavalry, cannons and much more. Check out the timetable on our facebook page.

Is the event accessible?

The event takes place on the open fields and parkland behind the Hall itself. While the approach is gentle and for the most part flat, there may be some uneven

ground in places. This may be more difficult to navigate in wet weather.

What about the weather? It has been an exceptionally wet winter and while the site has started to dry out, we would still recommend appropriate footwear and umbrellas.

Are there stalls? Yes, we have over 30 traders selling a variety of products, including antiques, toys, vintage clothes, viking mead and much more. Is there food? Yes, we are delighted to welcome back a number of food vendors who have worked with us before, as well as some new exhibitors.

Anything else? Yes, we have a large refreshment tent that also hosts live music from Nastee Chapel and The D-Day Dolls as well as puppet shows and comedy from Professor Llusern.

Can I bring my dog? Yes, but please be aware that some of the demonstrations include loud cannon fire which may startle some animals.

SPRING FASHION

CAN you feel that? It's finally in the air, a kind of palpable Springiness.

This means a whole new season of trends - a lighter, brighter outlook - not so much hot-house as simply hot florals to sporty layers to dresses that are pretty, yes, but still pack a punch.

Supple leather, fashioned into a harness top or panelled trousers (left), is always a key fabrication at **Hermès**. This Spring, seek out a conker shade - warm and easily paired with neutrals.

Pretty dresses (right) are back for Spring at **Dior**, especially embroidered with flowers or trails ribbons.

Athleticism inflected the art of dressing at **Fendi** (above left), where a perforated leather track jacket could be zipped over bare skin for a sporty yet sultry mood.

Chanel's classic tweed jacket was given new relevance by artistic director

TRENDS FOR 2026

Matthieu Blazy (above centre), making a future collector's item out of the cover-up. Paired with pumps - square-toed and block-heeled - it's this season's most covetable way to do suiting.

The black dress expanded its lexicon at **Celine** (above right), with a high neck, distinctive buttons and a cut - severe yet somehow artistic - that made it worthy of renewed interest.

A cinch-waisted dress (right), complete with pleated skirt, became a modern proposition in the hands of **Prada**, who gave it an off-kilter colour - somewhere between chartreuse and lime - for added pep. Tucking a shirt underneath, in a contrasting shade, will have a similar effect this Spring.

Legendary Ocean Colour Scene set to perform in Wrexham!

Wrexham is in for a spectacular treat this May! The legendary Ocean Colour Scene are bringing their iconic Britpop sound to Llwyn Isaf on Monday 4th May, performing in the big top thanks to FOCUS Wales. Even better, all profits from the ticket sales will go directly to Nightingale House Hospice, Wrexham's independent hospice, supporting patients and families living with a life-limiting illness.

Tickets go on sale at 10am Thursday 19th February, with first access signups available from 10am Wednesday 18th February via www.nightingalehouse.co.uk/events.

The concert forms part of Ocean Colour Scene's 30 year celebration of their triple platinum album 'Moseley Shoals', home to unforgettable hits such as Riverboat Song, The Circle, and The Day We Caught the Train. With seventeen Top 40 singles and six Top 10s to their name, Ocean Colour Scene remain one of the most successful and beloved bands of the modern era. Their live performances are celebrated for their infectious energy, engaging audience sing-alongs, and vibrant, memorable atmosphere.

Having honed their craft over six years before exploding onto the Britpop scene, Ocean Colour Scene released three Top 5 albums and chalked up nine successive Top 20 singles. Inspired by the soul, folk, and blues legends who shaped them, the band have continued to refine their sound and returned the favour in 2018 when they toured with Martha Reeves & The Vandellas, thrilling audiences with their legendary performances.

Elise Jackson, Events and Campaigns Manager at Nightingale House, said:

"We are absolutely thrilled to be part of this incredible event. Ocean Colour Scene are true legends, and thanks to FOCUS Wales, this concert will not only celebrate amazing music but also raise vital funds for Nightingale House. Every ticket sold will help ensure our patients and their families receive the care and support they need when it matters most."

Offers valid during March & April 2026.

April Horoscopes

Aries (March 21-April 19)

You could subject yourself to some much-needed self-scrutiny this month. If you are feeling the strain of working too hard, then take some time out. If a relationship is not working, then end it. During this time you can be as decisive as you like, as you are unlikely to make a bad decision.

Taurus (April 20-May 20)

Watch out for muscle strain, muscle weakness and leg pain this month. You are likely to be physically restricted in some way. The affliction is only temporary, but it will mean that your physical development will be strong and you are likely to be very sensitive to others' needs

Gemini (May 21-June 20)

You may be feeling a little fragile - maybe because of work-related stress, family problems or simply because your work/life balance is out of kilter. Either way, those born under the water sign of the crab could find alternative therapies very helpful.

Cancer (June 21-July 22)

There are enjoyable times in store for Cancerians, particularly in affairs of the heart and in familial relationship matters. It is an excellent time to try for a baby as your compatibility with partners and spouses will be especially harmonious.

LEO (July 23-August 22)

If you've been feeling a bit down in the dumps, maybe due to exhaustion, now is the time to put on a brave face and embrace all the changes going on around you. Everything has an upside and a downside. If you focus more on the positive, things will get better in the long run.

Virgo (August 23-September 22)

You could feel in need of a time out this month so that you can relax and revive. If your body is tired through overwork, then allow it to rest. If your mind is racing, then you will benefit from allowing yourself some downtime.

Libra (September 23-October 22)

If you are tempted to overspend this month, try to resist the urge. This is likely to be a very social period in your calendar and you may need to watch any potential strain on your finances. You will be in great demand on the social circuit and others will seek out your company.

Scorpio (October 23-November 21)

Your patience could well be put to the test this month. There could be a situation where you will need to forgive and forget, rather than harping on about something that has irritated you. Your emotions may be up and down but mentally you will remain strong and able to deal effectively with whatever may happen.

Sagittarius (November 22-December 21)

This could be a profitable period for those born under the sign of the archer. You will be confident enough to take risks where others wouldn't dare. If you make investments this month, they may prove profitable in the future. If you approach your bosses about a pay rise they might actually listen to you.

Capricorn (December 22-January 19)

Capricorn charts show you may need to slow down and take more care of your health. If you are prone to skin eruptions (which many born under this earth sign are) your skin could be telling you to avoid junk foods and eat a more healthy diet.

Aquarius (January 20-February 18)

This is likely to be a steady period for Aquarians. You are going to experience a certain amount of fulfillment where your career is concerned and there will be much satisfaction to be gained from doing well and achieving your goals. Others will seek you out for advice, which they will follow.

Pisces (February 19-March 20)

You will be dealing with a lot of money-related issues during this period and your horoscope predictions suggest that any financial speculations you make will be fruitful. You will not indulge in impulsive spending; rather, you will be taking a more measured and careful approach to your finances.

THIS MONTH...

...in 1989: The Hillsborough disaster

On April 15 1989, football fans gathered at Sheffield Wednesday's Hillsborough ground amid a "carnival atmosphere". The mood was described as "boisterous" but jovial.

As kick-off approached, a large crowd built up outside the Leppings Lane turnstiles. Following an urgent request to relieve the pressure, match commander Ch. Supt. David Duckenfield gave the order to open an exit gate.

Two thousand Liverpool fans entered via a tunnel on to already-packed terraces. A severe crush developed in the central pens and people are pulled out in a "human cascade". Ninety-six men, women and children lost their lives with hundreds more injured. The oldest victim was

67, the youngest just 10 years old.

In January 1990, a judicial inquiry was held into the tragedy. Lord Justice Taylor's report concluded the failure to close off the tunnel was "a blunder of the first magnitude" and match commander David Duckenfield "failed to take effective control".

In November 2019, after a six-week trial at Preston Crown Court, David Duckenfield was controversially found not guilty of the gross negligence manslaughter of 95 Liverpool fans.

In July 2021 Andrew Devine, who suffered life-changing injuries in the crush, became Hillsborough's 97th victim, passing away at the age of 55. A coroner ruled later that month that he had been unlawfully killed.

...in 1755: Samuel Johnson publishes first dictionary

A Dictionary of the English Language, sometimes published as Johnson's Dictionary, was published on April 15 1755 and written by Samuel Johnson. It is among the most influential dictionaries in the history of the English language. There was dissatisfaction with the dictionaries of the period, so in June 1746 a group of London booksellers contracted Johnson to write a dictionary for the sum of 1,500 guineas (£1,575), equivalent to about £310,000 in 2023. Johnson took seven years to complete the work, although he had claimed he

could finish it in three. He did so single-handedly, with only clerical assistance to copy the illustrative quotations that he had marked in books. Johnson produced several revised editions during his life. Until the completion of the Oxford English Dictionary 173 years later, Johnson's was viewed as the pre-eminent English dictionary. According to Walter Jackson Bate, the Dictionary "easily ranks as one of the greatest single achievements of scholarship, and probably the greatest ever performed by one individual..."
